

APPLICANT SUMMARY OF SUBSTANCE OF THE INTERVIEW

As set forth by the Examiner in the Office Action dated December 8, 2006, the Examiner conducted a telephonic interview with Adam D. Stevens (Reg. No. 58,577) on November 27, 2006. The summary of the interview as provided by the Examiner is correct, and Applicant adds the following details:

Applicant's attorney indicated to the Examiner that no changes were made to Figure 4 as submitted with the response dated June 9<sup>th</sup>, 2006.

Applicant's attorney also indicated to the Examiner that the Examiner's notice of non-compliant amendment was improper as the Examiner's requirement of a clean copy of the amended Specification is not a requirement of 37 C.F.R. 1.121, but is rather a preference of the Examiner to hasten eventual printing. The Examiner agreed to withdraw the notice of non-compliant amendment and Applicant's attorney agreed to provide, via facsimile, a clean copy of the amendments to the specification. A clean copy was provided that same day by facsimile.

This summary is timely as no written or other reply to an office action has otherwise been required or submitted. Therefore, this summary is included with the formal written reply to the last office action, as required by M.P.E.P. § 713.04.
